4022 W. South Jordan Pkwy (10400 S.) 6:30-8:30 PM

What is the General Plan?

The General Plan is a requirement of the State Code. It is an advisory document that establishes the direction for the development of the City. It is updated as needed to better meet the needs and values of the community. This draft has been prepared based on workshops and focus groups. Public input is welcomed and may influence the final draft. The final draft will be presented to the city council for approval.
